

ACT WorkKeys Notice #21—2015.08.12: WorkKeys Pricing

Dear ACT WorkKeys Users,

ACT's mission is to help people achieve education and workplace success by providing a broad array of assessment, research, information, and program management solutions in the areas of education and workforce development. As a not-for-profit organization, ACT continually reinvests in its programs and systems to ensure that they reflect the highest levels of quality, reliability, and utility.

ACT will institute modest price increases for WorkKeys assessments to its prevailing-rate contracts **effective September 1, 2015**.

If your test site uses WorkKeys assessments and/or National Career Readiness Certificate (NCRC) programs and services that are paid for by another organization through a contract with ACT, that organization should have already received this information.

Should you have questions or comments, please contact us at 800.967.5539 or workkeys@act.org.

Thank you for your advocacy and support.

Sincerely,

The ACT WorkKeys Staff
